It is important to note that a conflict of interest exists if the decision could be, or could appear to be compromised. It is not necessary that compromise takes place.
- 6.2 A Conflict of Interest also includes using a Member's position or Confidential Information for private gain or advancement or the expectation of private gain or advancement (e.g. direct or indirect monetary interest in a matter, a contract or proposed contract). A conflict may occur when an interest benefits any member of the Member's family (spouse, partner, children, parents, siblings), friends or business associates.
- 6.3 Members should not engage in private employment or render services for any person or corporation where such employment or services are considered a conflict of interest as defined by the Municipal Conflict of Interest Act, 1990.
- 6.4 Sections 6.1, 6.2 and 6.3 do not apply to a personal or monetary interest in any matter that a member may have by reason of the member having a personal or monetary interest which is an interest generally in common with the sector represented by the member on the committee.
